

Cassette L pebbles

Optimyst® | 230V/50Hz | 400 Watt

The Cassette L Pebbles is part of the Dimplex Cassette range, known for its unique, free floating flame and smoke effect, but now supplied with a decoration of white pebble stones. Easy to install in bespoke interior projects, only a normal electric socket is required. The flames are made of cold water vapor and light, which is safe, fume free and has a hugely decorative effect over the stones. Its water reservoir can be refilled from the front, which is very practical for frequent use.

- Suitable for installation projects and designed to fit into a custom-made frame or fireplace
- 2 Easy-fill water tank, offers around 8-10 hours of continuous operation before refilling is required
- The water tank is very easy accessible through a drawer in the front
- View of the fire from 4 sides
- Decorated with white pebbles (included)

Cassette L pebbles

Unit dimensions

All dimensions are in mm

All cassettes must have adequate ventilation for an optimal fire experience.
For advice, read the manuals or visit the website www.dimplex-fires.eu

		Cassette L pebbles
