

3 Step

Optimyst® | 230V/50Hz | 1500 Watt

With a choice of a three-sided, two-sided or one-sided inset, the frameless 3 Step can be installed in many ways, to make a perfect match with both your interior design and its layout. The Optimyst® fire is famous for its lively and realistic flame and smoke effect, safe without gas or dust released, and easy to use.

- Frameless insert fireplace with three-sided fire view
- Can also be installed as one-sided or two-sided
- The log set is included
- The flame effect can also be used without the heat to enjoy the charm of the fireplace 365 days a year
