

XHD Electric firebox

Optiflame® | 230V/50Hz | 1400 Watt

3 installation options

23" Firebox - XHD23

26" Firebox - XHD26

28" Firebox - XHD28

The Dimplex Firebox is an electric firebox, which can be built into a wall or a bespoke surround. Several extra qualities make the XHD models stand out. Its frameless housing offers maximum view on the flames, the movement speed of the flames is adjustable and the special glow bed has several color themes, customizable to fit your taste and style. The digital thermostat of the built-in heater ensures that the temperature is pleasantly easy to control. The Firebox XHD is available in different sizes.

- Modern firebox designed to be insert in custom-made frames and fireplace surrounds
- Frameless glass front gives an elegant look
- The flame base can be additionally adjusted to more red or blue
- Also manually controllable by an easy touch control
- The flames are adjustable in speed
