

## Cassette 600

## Experience Better Living

Cassettes

Optimyst is the world's most realistic 3D electric flame effect for those looking for a truly authentic experience, combined with the safety and low maintenance of an electric solution.

Patented by Dimplex, it offers a flame experience that can be enjoyed from all angles, making it perfect for stunning room dividers and see-through fireplaces. This unique flame effect is generated by an innovative combination of water vapour and light. Optimyst cassettes are truly unique and offer the beauty of a real fire with the simplicity of electric.

Our cassettes enable you to create a stunning centrepiece in any room setting and with a choice of installation options which are ideal for both projects and around the home, you really can design the ultimate focal point.
